

## Tray Cleaners | Pan Brush Scrubber

### An Industry Leading Pan Brush Scrubber!

The Jan De Ruyter pan brush cleaner is capable of processing up to 700 trays/hour. Finely crafted in the Netherlands, this durable machine can help baking operations recoup valuable manhours devoted to scraping and scouring baking pans and trays.

### Features

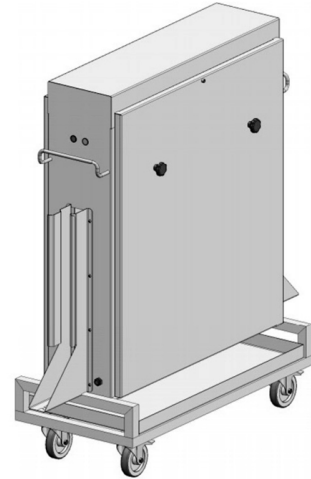

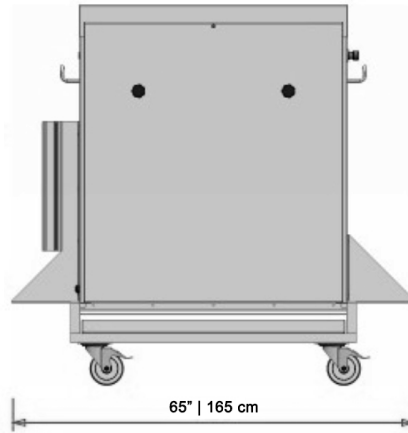

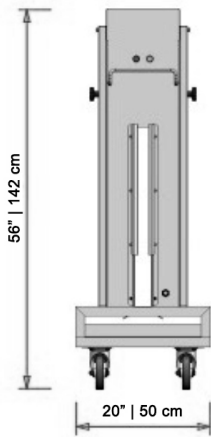

- ✓ **Remove Large Particles**  
*This unit is ideal for removing seeds, egg wash, and freshly baked-on dough or residue. Please note, this unit should not be used for degreasing pans.*
- ✓ **Quick Processing**  
*Quickly and efficiently clean multiple pans with continuous throughput.*
- ✓ **Dual Brush Action**  
*Dual brushing action ensures both sides of the pan/tray are cleaned at once.*
- ✓ **Clean Various Trays**  
*Suitable for a wide variety of trays up to 1" (25mm) thick. This includes peel boards, bun and sheet pans, fluted baguette pans, and perforated pans. Trays sizes can be any length with a maximum width of 24" (60 cm).*
- ✓ **Durable & Gentle Brushes**  
*These long-lasting synthetic brushes are stiff and durable, yet gentle enough not to scratch or remove coatings and finishes.*
- ✓ **Easy Cleaning**  
*Electronic controls are mounted on the top of the machine to facilitate easier cleaning within the cleaning cavity.*
- ✓ **Casters**  
*Fitted with locking casters for enhanced mobility.*
